QUESTION THREE

Plan a two day matchpointed pairs congress for 27 tables. 2 qualifying sessions and 2 sessions of barometer finals have been advertised.

Players expect to play between 50 and 60 boards per day. 2 board rounds are very unpopular.

Give full details of the qualifying rounds – how field is to be divided for Session 1, movements used and boards played, movement of players into Session 2 and any factoring required. Explain how the field will be divided for barometer finals. Show initial placement of boards for the barometer finals and how they will be moved.

QUESTION FOUR

(a) You are directing a Club Championship event over two sessions conducted
under QBA Regulations. For the qualifying session, three 9 table sections all
played 27 boards using completed Mitchell movements. You have announced
that first, second and third NS and EW from each section shall qualify for the
Championship Final.

(b) In a small congress, two 7 table sections play Mitchell movements in a single qualifying session. Sections are to be scored separately. The field is to be divided into a 5 table Championship, a 5 table Plate and a 4 table Consolation. You have announced that first and second from each NS and EW field shall qualify for the Championship as well as the next best NS and EW and that ties will be split according to the QBA Regulations.

The first four places in each field are as follows:

Section 1				Section 2				
NS EW		NS		EW				
Pair A	228	Pair E	218	Pair I	204	Pair M	198	
Pair B	164	Pair F	198	Pair J	188	Pair N	196	
Pair C	164	Pair G	166	Pair K	172	Pair O	166	
Pair D	156	Pair H	150	Pair L	134	Pair P	148	

Which pairs play in the Championship, and why?

conducted over 2 sessions, morning and afternoon. No more than 30 boards are to be played in each session. How do you run the day to produce a single winning pair?

QUESTION NINE

How do you create an even playing field by factoring to find a single winner from this two section two session matchpointed pairs event which includes some walk-in pairs not entered in the event. Across the Field Scoring is not used and some players have been interchanged for balance for the second session.

Session 1 Section A: 10 table Skip Mitchell 3 board rounds Section B: 10½ table 1½ Appendix Mitchell 3 board rounds
Session 2 Section A: 7½ table Mitchell with a NS Rover 4 board rounds Section B: 8 table Skip Mitchell 4 board rounds

QUESTION TEN

You are directing a 24 table one day Swiss teams event. 7 eight board matches are to be played, 3 matches before lunch, 4 matches after lunch. One team has to pull out (15 minutes before starting time) and they have a valid reason. No "house team" is available. Explain how you overcome this problem. Boards are available for whatever course of action you take.

QUESTION ELEVEN

Matchpoint the following Round 1 results from a Swiss Pairs event. Use the results to produce a draw for Round 3. Names for the contestants are not required.

Staple your Round 1 Results and your Round 3 Draw to this paper.
