

The Management Committee of the Queensland Bridge Association is asking Qld bridge clubs to join with us in supporting the

We are launching the **QBA Qld Drought Appeal** during the first week of September and will kick it off with a donation of \$2000 which we will forward to the recently announced Queensland Government's Appeal.

Clubs are encouraged to participate by choosing a duplicate session in the week **2nd – 8th September** and contributing some or all of the table fees as a donation. Some players may wish to contribute more. It's really up to individuals and club committees to decide and to then forward their donation to the QBA

[BSB: 124-001 Account No. 10220293] giving a reference such as "**Drought Clubname**"

At the end of that week we will tally the total amount, forward to the Qld Drought Appeal and then advise all clubs of the grand total raised by our bridge players.

Thanks in advance for whatever support your members are able to give to this urgent cause.
