22 Mareeba Court, ARANA HILLS QLD 4054

Phone (07) 3351 8602

Fax (07) 3351 8603

Mobile Phone 0412 064 903

23 July 2005

Thank you for your interest in affiliating to the Queensland Bridge Association.

PREAMBLE

There are many advantages to be gained when a bridge club affiliates with the State Body. The club is recognised as an official member of a State-wide Association and the immediate result is usually an increase in membership and a much greater desire by players to improve the standard and quality of their bridge. Club members become interested in the activities of nearby clubs and widen their experience by travelling to Congresses and by visiting other clubs. When the club reaches a stage of building its own premises, State funding becomes available through the State Association. By being affiliated, the club will receive all information concerning bridge within Queensland.

ADMINISTRATION

The Queensland Bridge Association (QBA) is the governing body for duplicate contract bridge in Queensland and is affiliated with the National body, the Australian Bridge Federation (ABF).

The QBA Council is comprised of delegates appointed by member clubs and each club is entitled to be represented by one delegate for every 100 members or part thereof. Clubs beyond easy travelling distance of Brisbane usually appoint delegates from Brisbane clubs to act on their behalf. All clubs assist in the formulation of bridge policies in the State and incidentally play a far greater part in this regard than their counterparts in other States.

FEES, QUOTAS AND LEVIES

For 2005, the annual QBA Membership Fee is \$10.00 (GST inclusive) per registered club member and the Annual ABF Levy is \$12.00 (GST inclusive) per registered club member. For 2006 the annual QBA Member Fee will be \$11.00 Remember it is illegal to have non registered club members.

QBA and ABF fees/levies are reviewed each year by the relevant finance committees. Ample notice is given by both associations if a change is imminent.

Players belonging to more than one club should nominate which club is to be considered their principal or home club for the purpose of QBA membership, ABF Levies and Masterpoint listings.

When a club stages a Congress, it must pay a Congress levy to the QBA of \$1.10 (GST inclusive) per table per session, as soon as possible after the event is completed. The club is responsible for forwarding payment automatically as no invoice will be issued. This congress levy should be forwarded with the results and the director of the event.

The Queensland Bridge Association levy its clubs on a quarterly basis.

MEMBER CLUBS

Incorporation through Office of Fair Trading or acceptance of the standard Club Constitution (available from the Office of Fair Tradings website) is a precedent to affiliation and once adopted the Constitution may not be altered or amended without prior approval of the QBA.

Application for affiliation to the QBA is made in writing to the Manager of the State Association. At the same time the following should be enclosed/attached - Office Bearers of the Club (home phone numbers and addresses), a signed copy of the Club Constitution and the appropriate membership fees.

With the affiliation application the following must be supplied: (I) the nominated QBA delegate the club - 1 delegate per 100 home club member, (ii) Names of 20 home club members, (iii) Month of Annual General Meeting. All changes to the club executive must be advised to the QBA within 14 days of the AGM.

The club will be responsible in updating the QBA with playing venues and times. The QBA publishes on its web site a club directory. The club will also be responsible for maintaining files for QBA Minutes, ABF Minutes and QBA Memos and Circulars. Contact with the QBA is through the Club Delegate or direct to the Manager. I am available 7 days a week 8.00 am to 8.00 pm. The answering machine and fax are on 24 hours a day. My mobile is on when I am out of the office. My mobile number is 0412 064 903.

Contact with the Australian Bridge Federation is through the QBA Manager only.

All members of your club must be members of the ABF and QBA (no exceptions).

ZONES

The State is divided into Zones and clubs will be allocated to Zones of their choice where practical. Each Zone is guided by a Zonal Committee which is made up of delegates from each club in the Zone. The number of Zonal delegates each club is entitled to is dependent on the number of home club members in that club, using the following formula:

No of home Club Members	No of Zonal delegates
1-150	1
151-300	2
301-450	3
451+	4

The zonal delegate must be voted at the AGM of the club, and a Zone Secretary (who acts as Chairman of the Zonal Committee) appointed at a zone meeting. Notification of the Zonal delegates and Zonal Secretary should be sent to the QBA after every Annual General Meeting.

The Zonal Committees are responsible for running the Zonal trials for travel subsidies to the Qld Pairs and Teams championship, and setting up the format and the running of the Knock-Out Teams within the Zone. Zones may also conduct Zone Championships.

ABF MASTERPOINT SCHEME

On affiliation, member clubs participate in the above scheme. The ABF Masterpoint Scheme is intended to stimulate interest in Contract Bridge, provide means of measuring player achievements and assist with the financing of the ABF's national and international commitments.

Masterpoints are awarded to all players who finish in the top half of the field in any pairs event, or in any session within a pairs event. In teams events of 8 or more boards, awards are made for each match won or drawn. For teams events with fewer than eight boards, sessional awards are made to the top third of the field for outright places.

The number and type of masterpoints available depends on the size of the event and on the grade of the event.

Green masterpoints are won at all sessions run by the clubs.

Red masterpoints are won at (i) Club B4 events - available only for club members. The number of sessions each club is entitled to per year is determined by the ABF Masterpoint Centre.

(ii) Open Congresses and State Championships.

Gold Masterpoints are won at National Titles run by the ABF and some special events approved by the ABF e.g. the QBA's Gold Coast Congress held in February each year.

The ABF records all masterpoint totals on a central computer. Each player is issued with a personal masterpoint card showing the appropriate masterpoint number and the home club number. Regular printouts are issued to all participating clubs showing the masterpoint standing of their registered members. Each State has a State Masterpoint Secretary who co-ordinates all the States masterpointing.

The ABF deals directly with clubs regarding masterpoint levies and upon affiliation, the club will receive more detailed information from the ABF regarding the working of the masterpoint scheme. All inquires regarding Masterpoints should be directed to our QBA Masterpoint Secretary, Ms Joan McPheat.

TEACHING AND DIRECTING TOURS

The QBA sponsors tours by the State Director and State Teacher and highly encourage participation when in your area.

TECHNICAL

The QBA Tournament Secretary will advise clubs concerning problems of a technical nature, e.g. directing, scoring, movements etc.

The International Code - The Laws of Duplicate Bridge 1997 is a mandatory publication for all member clubs.

Bridge Directing Complete by Ian McKinnon and Duplicate Bridge Direction by Alex Groner are excellent reference materials – available from the QBA.

STATIONERY

Bridge Stationery is available from the QBA. Frequently throughout the year, we send out price lists. If new stationery is obtained throughout the year, samples and price lists are sent to all clubs.

Items in stock are Travelling Score Cards, Teams Score Sheets, Systems Cards (Standard and Simple), Silent Bidding Pads, Cardboard Wallet Boxes, Plastic Covers for System Cards.

The QBA also provide a service of pre-dealing boards - cost \$0.30 + GST per hand. We also photocopy hand records at \$0.10 + GST single sided and \$0.15 + GST double sided.

QBA CALENDER OF EVENTS

Affiliated clubs may apply to conduct Congresses. Applications are called in May of each year for the subsequent year. Copies of the QBA Calendar are forwarded to all clubs.

CONCLUSION

We welcome all new clubs to our association and will try and help with any preliminary work. If possible a QBA executive will try to attend your playing sessions to personally welcome you to the Association.

Any inquiry in joining our association or even a general inquiry should be directed to me and hopefully I can help however if not me I will certainly refer you to someone specialised in that area.

Thank you for your inquiry.

Kim Ellaway
Manager
